CAREER OBJECTIVE

Aspiring Full Stack Developer seeking an opportunity to contribute to real-world software development. Knowledge of Java, Data Structures and Algorithms (DSA), JavaScript, and MERN-stack technologies, with project work in responsive web interfaces and application workflows. Eager to apply problem-solving, collaboration, and continuous-learning skills while building reliable, user-focused web applications

TECHNICAL SKILLS

Programming: Java, C/C++ (Basic)

Core Concepts: Data Structures and Algorithms (DSA), Object-Oriented Programming (OOP)

Frontend: HTML5, CSS3, JavaScript , React.js, Bootstrap, Responsive Web Design, Web Animations

Backend: Node.js, Express.js, REST API concepts

Database: MongoDB Atlas,

UI/UX: Figma, UI/UX Design

Tools & Platforms: Visual Studio Code, Git, GitHub, MongoDB Atlas, Vercel, Render

Soft Skills: Problem Solving, Team Collaboration, Communication, Time Management, Adaptability

PROJECTS

EduSetu AI — AI-Powered Rural Education Platform | Jan 2026 – Apr 2026

- Developed a full-stack education platform concept focused on digital inclusion and rural higher education using MERN-stack technologies.
- Planned features such as AI tutoring, regional-language support, career guidance, scholarship discovery, and low-bandwidth learning.
- Worked on platform concepts and responsive dashboards for students, mentors, and administrators.

RideWala — Ride-Booking Web Application | Feb 2026 – Mar 2026

- Built a ride-booking web application concept using React and MERN-stack technologies.
- Worked on pickup and destination inputs, ride-type selection, fare calculation, and booking UI.
- Explored current-location support and location services using OpenStreetMap/Nominatim.

Personal Portfolio & Furni Website | Jan 2026 – Feb 2026

- Created responsive websites using HTML, CSS, and JavaScript.
- Implemented interactive navigation, animations, project showcase sections, and modern UI layouts.
- Worked on website presentation and deployment using GitHub Pages.

EDUCATION

Bachelor of Computer Applications (BCA) — Artificial Intelligence & Machine Learning | 2024 – 2027 (Expected)

SAM Global University, Bhopal, Madhya Pradesh

Higher Secondary (Class 12) — PCB | 59.9% | Passed 2024

Rajiv Shiksha Sadan, Satna, Madhya Pradesh

High School (Class 10) | 67.7% | Passed 2022

Rajiv Shiksha Sadan, Satna, Madhya Pradesh
